In simple terms, risk is the possibility of something bad happening. Risk involves uncertainty about the effects/implications of an activity with respect to something that humans value (such as health, well-being, wealth, property or the environment), often focusing on negative, undesirable consequences. Many different definitions have been proposed. The international standard definition of ...

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

ALL THESE THINGS WERE WRITTEN DOWN FOR OUR LEARNING AND FOR OUR ADMONITION. ¶ " Romans 15:4; 1 Corinthians 10:6, 11 _____ The Biblical Aspect of Abraham ¶ 's Life is a detailed study of the life of a wealthy and powerful Old Testament believer who is just like today Christians in many aspects, but was used by God to accomplish His plan and purpose. Written by pastors Ike and Queen Ozuome, this book offers some helpful insights into Abraham ¶ 's wise and unwise actions within the biblical context and in terms of a contemporary understanding of Christian life. « It is designed to help the Christian who is struggling in his or her walk with Christ to have a better understanding of how
